REMARKS

These remarks address the Examiner's comments made in the Office Action mailed 11/03/2006.

The office action required an election as between 17 species. Applicant elects for prosecution on the merits species 15, as shown in FIG. 18, having an internal magnet geometry motor structure with a laminated pole and laminated top and bottom plates of wedge shaped segments. The claims which read on species 15 are: claims 1-2, 4-6, 8, 10-13, 19-22, 37, 39, 41.

Applicant respectfully requests substantive examination of the application at the Examiner's earliest convenience.

Respectfully submitted,

Richard C. Calderwood, Attorney for the Applicant
